## **Electric tree**

Published on PATRIOT-NRG International portal for energy saving (https://patriot-nrg.com)

## **Electric tree**

In addition to being a convenient place to relax on a hot summer day and a source of night lighting, it can also be a place of free Wi-Fi connection with the ability to recharge mobile phones, a source of chilled drinking water, a drinking bowl for animals, an artificial air sprinkler. The concept of such a tree can be seen here.
